Skystar

skystar kicked. She had to get out she knew she would be important to save the world someday. At least she hoped. She put all her streak that into the dome above her and suddenly they fell away. She looked up. One bright moon shone above her. “Sky star darling” a voice said she knew this was mother. “What do you think Silk?”

She’s beautiful he said. This was father. Are we sure on this name? He asked “yes” mother said “it’s perfect” and it was

10 years later

”mother!” Skystar screamed as her mother crumpled into the ground. The HiveWings who had done this would pay soon...

The dragonet was *alone*, though, she did not know what alone meant yet. She did not know what any of these words meant yet. She was trapped in a circular prison of isolation.**She only wanted one thing, *and that was freedom.***She didn't know exactly what she was doing, but she knew one thing. *This was the way out.*She rammmed her small head into the side of the prison, which caused a minor crack in the walls, letting her have her first glimpse of something other than darkness for once.She repeated the process until she was free. She saw a much larger dragon before her, wide-eyed and astonished. He said something while sprinting out of the room and came back with another dragon. The new face picked her up and said " Hello , little one, I am your mother." *Mother. So that's who this is, the young dragonet thought.* " What shall I call you? " Mother said, puzzled. " Azure! That will be your name. It's perfect for you. A wonderful name for a SeaWing princess." *SeaWing? Princess? I don't know much,but i know one thing. I am Azure.*

nightstriker

he saw the black and bronze cave around him, he had to destroy. he saw the three bright lights in the sky, and a tingle in his talons. he clawed, clawed as powerful as a dire wolf. he finally released to the face of three dragons, two of them were nightwings, one was sandwing. he pointed at the younger nightwing, "sissy?" he said. "yes!" sissy responded, then he pointed at the sandwing, "dad" he hissed, aggressively for some reason. "oh... yes..." dad said. now finally, he pointed at the other nightwing "mom!" he said joyfully. "yes!" mom said joyfully as she hugged him. "but you can call me greatness, queen greatness" mom said.
